School or institution:

INVESTIGATOR CHARACTERISTICS RELEVANT TO ESTABLISHING UNDER-REPRESENTATION (OPTIONAL)

Special Eligibility Considerations

We especially encourage applicants belonging to populations under-represented in the U.S. research enterprise (see: <https://grants.nih.gov/grants/guide/notice-files/NOT-OD-20-031.html>) including:

- Individuals from under-represented racial and ethnic groups (i.e., Black/African American, Latinx/Hispanic, American Indian/Alaska Native, and Native Hawaiian/Other Pacific Islander people)
- Individuals with disabilities, defined as those with a physical or mental health impairment
- Individuals from disadvantaged backgrounds
- Applicants who have lived experience with substance use recovery

What is your primary race and/or ethnic identification?

Black or African American

Latinx/o/a or Hispanic

American Indian, Native American, or Alaska Native

Hawaiian or other Pacific Islander

Asian or Asian American (not Pacific Islander)

White

Other:

Do you have a disability, defined as a physical or mental impairment that substantially limits one or more major life activities, as described in the [Americans with Disabilities Act of 1990, as amended](#)?

Yes No

Are you from a disadvantaged* background? Yes No

*Those from disadvantaged backgrounds are defined as meeting two or more of the following criteria:

- Were or currently are homeless
- Were or currently are in the foster care system
- Were eligible for the Federal Free and Reduced Lunch Program for two or more years
- Have/had no parents or legal guardians who completed a bachelor's degree
- Were or currently are eligible for Federal Pell grants
- Received support from the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) as a parent or child
- Grew up in a U.S. rural area or a Centers for Medicare and Medicaid Services-designated Low-Income and Health Professional Shortage Area

Have you personally experienced an alcohol or drug use disorder? Yes No

PROPOSED STUDY INFORMATION

Name of I-STARR investigator who will serve as mentor:

Other key personnel (name, title, and institution):

Structured abstract (700 words max). Include the following sections: Significance, Innovation, Aims (including hypotheses for quantitative studies), Approach, and Anticipated Impact and Future Directions (including a statement on how the data will support a future R-mechanism grant and a brief description of that grant).

Timeline (150 words max). Most studies will be one year.

Brief budget justification (150 words max):
